Flagged Train With Shirt

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H T Alston, Faleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50c at Penn & Holstein's, W E Lynch & Co.

Notice.

A Great Building Falls

when its foundation is undermined, and if the foundation of health—good digestion—is attacked, quick collapse follows. On the first signs of indigestion, Dr. King's New Life Pills should be taken to tone the stomach and regulate liver, kidneys and bowels. Pleasant, easy, safe and only 25c at Penn & Holstein's, W E Lynch & Co.

WHY IT SUCCEEDS.

Because It's For One Thing Only, and Edgefield People Appreciate This.

Nothing can be good for everything.

Doing one thing well brings success.

Doan's kidney pills are for one thing only.

For weak or disordered kidneys. Here is Edgefield evidence to prove their worth.

T Gray, Edgefield, S. C., says: "A few months ago kidney trouble came on me with torturing pains in my back and sides. The passages of the kidney secretions were irregular and I felt so tired and worn out that it was only with great effort that I was able to get around. My back became lame and sore and I could hardly stoop or straighten. Fortunately Doan's kidney pills were being advertised at that time and some one advised me to try them. I did so, and the results were very satisfactory. The contents of one box made me feel like a different man, driving away my pains and aches and improving my health. Doan's kidney pills certainly deserve endorsement and I give mine willingly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
